

# May PTA Newsletter

- Annual PTA meeting will be on May 8<sup>th</sup>. We encourage everyone to please come if possible. We would love to hear your thoughts, concerns, and any ideas to make OUR school the very best for everyone for the new upcoming school year.
- May Day is here and we could use some help. We need a few items for a field day full of fun! You can donate it to the school or let us borrow for the day. Please have your name on it if only borrowing. Items include: several long pieces of rope, several hula hoops, bubbles, chalk, beach balls, beach towels, several tarps, slip n slides, water balloons, several sand buckets, old panty hoses, and large water sponges (like wash cars with).
- There will be an egg relay and an egg toss during May Day, if your child has an egg allergy Please let your Teacher know so they know not to participate in that game Please.
- We ask each child to please bring a towel and sunscreen, wear tennis shoes, and to bring a small water gun (like the \$1 water gun at the dollar store).
- If any Parent would like to help with May Day or Teacher Appreciation Week please email Hannah Sutton at [hsutton1642@gmail.com](mailto:hsutton1642@gmail.com)

The PTA Thanks you for all your support!
